

S.P.A.R.T.A. INSURANCE PROGRAM

Service Providers and Artisan Tradesman Activities

WHAT IS SPARTA?

The SPARTA program provides Commercial General Liability, Excess General Liability, Professional Liability, Non-Owned Automobile and Excess Automobile Liability Insurance coverage to tradesman, artisans, contractors and tenants who would not otherwise be able to provide the insurance limits needed to successfully bid and compete for business with the Port of San Diego. *

ADVANTAGE TO TRADESMAN, CONTRACTOR OR VENDOR

- No hassle 24-hour quote turnaround.
- Does not require any prior insurance coverage, application or loss runs to participate in the SPARTA program.
- Allows a contractor to purchase coverage for a specific job or contract they have received, thereby lowering their insurance costs.
- Tradesman, contractors and vendors receive insurance coverage that has been pre-approved by the Port of San Diego.

HOW DOES SPARTA WORK?

The artisan, consultant, contractor, vendor or tradesman would call SPARTA's toll free 800 number. One of the licensed professionals would determine the scope of work performed and what coverages the Port of San Diego require. After ascertaining the kind of work performed and the length of the contract, the potential contractor is faxed or mailed a quotation. This document contains specific information that is required to purchase the coverage. If the contractor elects to use the SPARTA program, the contractor sends a cashier's check or money order for the amount of the premium. The contractor also has the option to pay online by credit card via SPARTA's website. The SPARTA program offers premium financing on annual policies with premiums greater than \$1,000. Upon receipt of the payment, a Certificate of Insurance is issued based on the Port of San Diego's master policy and coverage is activated.

HOW DO YOU ACCESS SPARTA?

Accessing the SPARTA program is as simple as a toll-free telephone call. The toll free number is 1-800-420-0555. Their fax number is 1-714-550-5044. You can also access their website at www.2sparta.com or e-mail them at carol@2sparta.com.

***The SPARTA program provides coverage only for work performed for the Port of San Diego.** For any additional questions, contact Diane Caminite, Risk Management Analyst, Port of San Diego, at (619) 686-6432.
